a. CIARDS Ceiling. On 8 May 1973 the President signed the bill to increase the ceiling on CIARDS retirees to 2100 for the 5 year period ending 30 June 1974 and to establish a ceiling of 1500 for the 5 year period ending 30 June 1979.

b. Travel by Sea. We have a clarification of As approved by the Travel Policy Committee this subparagraph reads:

25X1A

"An employee, regardless of cover, who fails to comply with the provisions of this paragraph will be held personally liable for expenses and excess travel time incurred in the use of a ship."

The subparagraph will be redrafted to permit an employee to use a ship of American registry, himself paying the difference between economy air fare by direct route and the cost of travel by sea. Additionally the employee will be charged annual leave or compensatory leave for the difference in time required for the journey as between direct travel by air and travel by sea.
